ARTICLE II - HOURS OF WORK

- 2.1 Patrol Officers shall work a "10-4" plan. Officers assigned to the Investigations Bureau will work a "10-4" work schedule.
- 2.2 The work period for safety employees will consist of fourteen days (coincides with bi-weekly pay period). This work period shall be from Sunday through Saturday.
- 2.3 It is mutually agreed that the City has the sole right to assign personnel, to establish hours of work and work schedules, to make changes to those schedules, to schedule employees off on compensatory time, and to schedule holidays and vacations, all depending on the "needs of the service".
- 2.4 The City and the POAL mutually agree that split shifts are very stressful and may cause health problems. Consequently, officers shall not work split shifts except during cases of an emergency nature. Specifically and for training purposes only, this provision does not apply to the Canine Officer assigned to Graveyard (2200 hours to 0800 hours) with Thursday's and Friday's off in order to better facilitate training.
- 2.5 All employees in the classification of Police Officer or Police Corporal, shall select annually, beginning in the month of September, for at least a one year period, their preferred team assignment, days off sequence, holidays, and vacations on the basis of their seniority and the "needs of the service". (Seniority shall be defined as follows: Total time in service as a member of the bargaining unit. Should a member of the POAL leave membership for any reason and return to membership within twelve months, seniority shall be as if the member never left.)

ARTICLE III - OVERTIME

- 3.1 Overtime work may be required of any employee in order to meet special or unusual needs of service beneficial to the City and community. All overtime work requires the prior approval of a supervisor. No employee on a disciplinary or medical leave will be eligible to work overtime. Overtime is defined as the number of hours worked in excess of the normal weekly schedule of work hours illustrated below:

Work Schedule

10 hours per day, 4 days per week
9 hours per day, 9 days per period

Overtime

over ten hours in a day
over nine hours in a day

On the 9/10 work schedule there is one day employees work an eight (8) hour day. For purposes of overtime eligibility, hours worked in excess of eight (8) hours on this day shall be considered overtime.

- 3.2 Employees must work a minimum increment of fifteen (15) minutes beyond their regular work day to qualify for overtime pay. Thereafter, overtime shall be compensated in increments of thirty minutes.

ARTICLE IV - REST PERIOD

- 4.1 The intent of the rest period is to ensure that the officer is adequately rested for his/her assigned work shift.

- a. Officers will receive a continuous eight hour rest period immediately preceding or immediately following their scheduled court appearance or other departmental assignment(s), if less than eight hours has elapsed during:

- 1) the time period that officer's regular work shift ends and his/her scheduled appearance/ assignment time; or
- 2) the time period that officer is dismissed and his/her regular work shift begins.

This rest period will not be charged to the officer.

- b. If an officer receives approval to take the remaining portion of his or her scheduled shift off, the officer's leave balances will be charged for the entire shift (as if no rest period has occurred).
- c. The rest period does not apply when an officer is scheduled for court or appearance/ assignment the day immediately following a day off.

- 4.2 If an officer is called to duty or remains on duty for any reason within that rest period or into his/her normal shift, he/she shall be compensated at 150% of his/her normal rate of pay.
- 4.3 To the extent shift scheduling allows, the City will endeavor to grant each officer, below the rank of Sergeant, desiring to utilize his/her lunch time as part of a personal fitness program, permission to combine his/her 15-minute break with his/her 45-minute lunch period for this purpose.

ARTICLE V - COMPENSATORY TIME

- 5.1 Employees may accrue compensatory time in lieu of overtime pay. The accrual rate for compensatory time shall be one and one-half hours for each hour of overtime time worked.
- 5.2 No more than eighty (100) hours of compensatory time may be carried on the books at any time.
- 5.3 An employee's decision to elect compensatory time instead of overtime pay is irrevocable.
- 5.4 Upon separation, the employee will be paid at the employee's current hourly rate or the average of the last three years, whichever is higher, for the remaining compensatory balance.
- 5.5 Bargaining unit members shall be allowed to cash out up to a maximum of 100 hours of earned compensatory time off twice per year, in April and October.

ARTICLE VI - ABOVE CLASS PAY

- 6.1 All employees in this bargaining unit who are required to work in a higher class shall be paid an additional 5% of the employee's normal salary including any allowance or education incentive pay currently enjoyed by the employee if the position is vacant for more than 10 consecutive calendar days because of vacancy, illness, or industrial or non-industrial accident.

ARTICLE VII - EDUCATION INCENTIVE

7.1 Education incentive pay shall be as follows:

It is also mutually agreed that assignments to the Motor Unit are at the sole discretion of the City. No officer has any property rights to such assignments. They agree that any time spent in excess of such time is not reasonably necessary and is accordingly not authorized. The pay rate for the performance of such work shall be \$6.75 per hour. Accordingly, the full compensation due officers for the performance of their canine responsibilities, on a bi-weekly basis, is \$94.50. If the federal minimum wage increases, this hourly rate shall increase accordingly.

Said bonus will be \$1,500 for those employees who have completed the service requirements of ten (10) years, and \$3,000 for those employees who have completed the service requirements of twenty (20) years.

Said bonus is not a part of base salary. Receipt of bonus for one (1) year does not affect the following year. Employees must submit a new application for each year they wish to be considered for the PIB.

It is understood that said bonus is discretionary, and based upon meritorious performance as described in the PIB evaluation criteria.

Employees who are granted a PIB by the evaluation committee, will be issued a separate check for the appropriate amount in November of each year of this contract.

16.2 Eligibility

To be eligible to apply for the bonus, employees must meet the following minimum qualifications:

1. Employees must have completed at least ten (10) full years of service in this bargaining unit with the City of Lodi by the beginning of the preceding time period being evaluated (i.e. to be eligible for consideration in November of 2000, an employee will have had to complete ten (10) full years of service by July 1, of 2000.)

Employees must have met the above mentioned minimum qualifications by the beginning of the preceding time period being evaluated.

16.3 Evaluation of Applications (Process)

The PIB process will consist of a committee evaluation, conducted on a annual basis and will be based upon the preceding year's evaluation (July - June), and the events, activities, and actions during this same period of time.

An evaluation committee will be appointed to review and evaluate the applications. The evaluation committee will be composed of two (2) representatives from the POAL, two (2) representatives from Police Department management, and one (1) representative from the Human Resources Department.

Applications for PIB must be made in writing on the designated application form within the time period allotted by the evaluation committee.

Applicants will be evaluated only upon written documentation including but not limited to what is provided in applicants' application, their performance evaluation and any actions and events during the rating period including but not limited to the following: attendance, disciplinary actions, service awards, commendations, etc.

The criteria used by the evaluation committee will be determined and developed in advance of implementation by Human Resources and the Police Chief and subject to discussion with a representative from the POAL.

The decision of the committee will be relayed to each applicant in writing. The vote of the committee shall be in confidence. Members of the committee are obligated to maintain confidentiality in respect to all committee processes including voting. No committee member shall disclose to any person outside the committee any discussion of the committee or information on voting or specific votes of committee members.

The decision of the evaluation committee to grant or deny a PIB is final and binding, may not be appealed, and is not subject to any grievance procedure.

- 17.3 If a Motor Officer fails to complete an 18-month assignment he/she agrees to reimburse the City on a prorated basis for each month not completed. If he/she is relieved for lack of performance before the minimum 18 months, he/she shall also reimburse the City on the same prorated basis. If he/she completes the 18-month assignment the equipment becomes the officer's sole possession.
- 17.4 The City agrees to provide each officer a set of "Threat Level 3-A" body armor. When an employee is on patrol he/she agrees to wear his/her body armor. If an officer fails to

wear the body armor he/she shall not be paid for each hour or part thereof that the body armor is not worn.

- a. In that the City and POAL agree that officer safety is paramount, the City agrees to replace all ballistic vests prior to the end of the fifth year from the date of manufacture.
- b. The City agrees to furnish each officer an SL-20 flashlight by Streamlight. The City agrees to exchange the flashlight battery and flashlight bulb upon request, but no more often than once in any twelve-month period.

To the extent the provider discontinues or changes the medical plan coverage, these changes are not the responsibility of the City. The City shall however, make every effort to retain the medical plan as agreed to by the POAL and City.
- 33.2 Effective November 22, 2004 the City shall pay 100% premium for employee only up to the highest HMO available in our geographical area. All employees irrespective of choice of plan shall contribute \$80.00 per month for Employee Plus One and \$104.00 per month for full family coverage. If an employee elects not to be covered by medical insurance an additional \$100.00 per month (\$46.15 per pay period) will be contributed to the employee's deferred compensation account for a total of \$71.15 per pay period.

Employee + Employee + Family	Share of Cost is \$104.00 per month.

- 35.2 Effective October 25, 2004 the City shall match contributions by an employee to a deferred compensation program up to a maximum 3.0% of the employee's gross salary.

ARTICLE XXXVI - LIFE INSURANCE

- 36.1 The City agrees to provide each covered member a \$25,000 accidental death policy in addition to any other life insurance policy or statutory payments that may be due to an employee in the event of death resulting from a line-of-duty injury.

ARTICLE XXXVII - PUBLIC EMPLOYEES' RETIREMENT SYSTEM

- 37.1 The City shall provide the PERS retirement program, commonly known as the "3% at 50" program. Said program shall include the following additional benefits:
- 1959 Survivors Benefits – third level
 - Single Highest Year
 - Sick Leave Credit
- 37.2 The City agrees to pay into each employee's PERS account 9%. This is understood to be the employee's normal retirement contribution.

ARTICLE XXXVIII - SICK LEAVE CONVERSION PROGRAM

38.1 This section applies to all employees hired prior to October 10, 1994.

For all unused sick leave, a represented employee with ten years of employment with the City shall receive medical insurance coverage upon retirement (but not upon resignation or termination) on the following basis:

OPTION #1 – "Bank"

Fifty percent (50%) of the dollar value of sick leave will be placed into a "bank" to be used for medical insurance premiums for the employee and dependents. For each year that an employee has been employed in excess of 10 years, two and one-half percent (2.5%) will be added to the fifty percent (50%) for valuing the size of the bank.

For example:

Officer Smith retires with 20 years of service and 1800 hours of sick leave.
His/her monthly salary is \$3,412.47 (\$19.61 per hour).

$$1800 \times .75 \times \$19.61 = \$24,473.50$$

This amount will be reduced each month by the current premium for the employee and dependent until the balance is gone. In the event the retiree dies the remaining bank will be reduced by fifty percent (50%) and the survivor may use the bank until the balance is gone or may cash out the remaining balance.

OPTION #2 – "Conversion"

The number of accumulated hours shall be multiplied by 50% and converted to days. The City shall pay one month's premium for employee and dependents for each day after conversion. For each year of employment in excess of 10 years, 2.5% shall be added to the 50% before conversion. The amount of premium paid shall be the same as the premium paid by the City at the time of retirement. Any differences created by an increase in premiums must be paid for by the employee.

For example:

Officer Smith retires with 25 years of service and 1800 hours of unused sick leave:

Sick Leave Hours – 1800 divided by 8(coverage factor)=225

225 times 87.5 (% of coverage)=196.88

196 divided by 12(yrs) = 16.4 total years of coverage.

OPTION #3 – “Cash-Out”

A retired employee may choose to receive a cash settlement for unused sick leave at the rate of \$.30 on the dollar. Under this provision, the employee's sick leave balance at the time of retirement shall be converted to dollars at the employee's current pay rate.

OPTION #4 – “Service Credit”

Employees may elect to add PERS credit for unused sick leave per Government Code Section 20868.8. This benefit is available to all employees regardless of the date hired; however, it is the only sick leave conversion benefit available to employees hired after October 10, 1994. It is agreed that eight hours equals one day for purposes of determining days creditable. If an eligible employee opts to utilize the provisions of Section 37.1, the City will report they have zero hours of unused sick leave.

- 38.2 In the event an active employee dies before retirement and that employee is vested in the sick leave conversion program (10 years) the surviving dependents have an interest in one-half the value of the bank as calculated in option #1.
- 38.3 In accordance with the sick leave conversion provisions, a surviving spouse may at his/her own expense, continue medical insurance at the employee only premium for the same period as if the employee had not died.
- 38.4 Out of area retirees may receive reimbursement for medical insurance premiums up to the City's liability as specified in Section 38.1 of this Article.

ARTICLE XXXIX - SURVIVORS MEDICAL BENEFITS

39.1 The City shall pay 100% of the premiums for health and dental benefits described in this MOU for the surviving spouse and any minor children of any member of the POAL who is killed or dies during the performance of official duties. Premiums will be paid at the current rate in effect at the time of the member's death. Premiums will continue to be paid by the City until such time as the surviving spouse is covered by other insurance or remarries, and for dependent children of the member killed in the line of duty until such time as either:

- (1) the children become adults, or
- (2) the children are covered under other alternative medical coverage provided by and through the surviving spouse or the person who he/she remarries.

ARTICLE XL - TUITION REIMBURSEMENT

40.1 The City shall pay the cost of tuition and books for two courses per semester at the tuition rate in effect at the California State University system under the following conditions:

1. Coursework must be job-related.
2. Coursework must be taken at an accredited college or university.
3. Coursework must be beyond the level of an Associate of Arts degree.

40.2 Effective July 1, 2005 the City shall pay up to \$2,500 per fiscal year towards the cost of tuition and books.

40.3 The Police Chief has the authority and discretion to define "job related" and to approve or disapprove requests under this section. The procedures and limitations of the City policy on tuition reimbursement shall apply to bargaining unit personnel.

CHAPTER 4 - ASSOCIATION/CITY ISSUES

ARTICLE XLI - ASSOCIATION TIME

- 41.1 Individual bargaining unit members may donate from their accrued vacation leave, holiday leave, or compensatory time off up to a total of 600 hours per calendar year for Association business directly related to representation of Lodi Police Officers. The President of the POAL may designate members of the Association to utilize this time. Only one member at a time may be absent unless mutually agreed that additional members may be absent. Five days advance notice of use of time shall be given. The time may be used only in hourly increments with a two-hour minimum.
- 41.2 The POAL has the right to purchase additional time at the rate of 150% of base pay.
- 41.3 Except in cases of an emergency, the President of the POAL shall be granted one day per week wherein half of one day's shift per week may be used for the performance of the duties of the office of President of the POAL. This time shall be scheduled at a time mutually agreed upon between the POAL President and the Chief of Police or his designee. Such time shall be charged to the Association time bank.

ARTICLE XLII - BENEFICIAL PAY PRACTICE

- 42.1 If the department, in its sole discretion, wishes to implement a new beneficial pay practice, it will notify the POAL and provide an opportunity to meet and confer.

ARTICLE XLIII - CHANGES IN THE MEMORANDUM OF UNDERSTANDING

- 43.1 The City and the POAL agree to reopen this MOU and to renew Meeting and Confering on the subjects set forth herein during the term of this MOU in the event that any provision of this MOU is modified by statute or by a competent order of a court in such a way as to affect either the employees or the City. In such event, all remaining provisions of the MOU shall continue in full force and effect unless and until they are also modified by statute or competent order of a court or agreement of the City and the POAL.

ARTICLE XLIV - CITY RIGHTS

44.1 It is further understood and agreed between the parties that nothing contained in this MOU shall be construed to waive or reduce any rights of the City, which include but are not limited to, the exclusive rights to:

- Determine the mission of its constituent departments, commissions, and boards.
- Set standards of service.
- Determine the procedures and standards of selection for employment.
- Direct its employees.
- Maintain the efficiency of governmental operations.
- Determine the methods, means, and personnel by which government operations are conducted.
- Take all necessary actions to carry out its mission in emergencies.
- Exercise complete control and discretion and the technology of performing its work.

City rights also include the right to determine the procedures and standards of selection for promotion, to relieve employees from duty because of lack of work or other legitimate reasons, to make and enforce standards of conduct and discipline, and to determine the content of job classifications; provided, however, that nothing herein may be read to extend the term of the MOU nor to supplement negotiations as a means for arriving at terms for a successor MOU.

ARTICLE XLV - CONCERTED ACTIVITIES

45.1 The POAL and employees agree that they will not engage in any strike, sympathy strike, slowdowns, work to rule, "blue flu", or other concerted withholding of services. In the event of any such activity, the POAL will take any such activity to a cessation immediately. The association and all employees covered by this agreement acknowledge that any such activity by employees covered by this agreement is misconduct which may lead to discipline up to termination.

ARTICLE XLVI - EMPLOYEE REPRESENTATION

- 46.1 This Memorandum of Understanding (MOU) is entered into between representatives of the City of Lodi (City) and representatives of the Police Officers' Association of Lodi (POAL).

The parties hereto acknowledge and agree that this MOU constitutes the result of meeting and conferring in good faith as contemplated by Section 3500 et seq. of the Government Code of the State of California, and further acknowledge and agree that all matters upon which the parties reached agreement are set forth herein.

Both parties each certify without reservation that an adequate opportunity has been afforded its bargaining representatives to propose and vigorously advocate all negotiable subject matter during the course of collective negotiations preparatory to signing this agreement. City will meet and confer before changing a policy or general order that is subject to meet and confer under the Meyers-Milias-Brown Act.

The terms and conditions of this MOU are applicable to Police Officer Trainee, Police Officer Trainee II, Police Officer and Police Corporal.

It is mutually agreed that this document supersedes all previous MOU's and all practices not defined in this MOU.

The terms and conditions of this MOU shall continue in effect during the term of this MOU.

The City and the POAL agree and understand that if any section of this MOU in any way conflicts with the terms and conditions of employment stated in other authorities, such as personnel rules, administrative policy and procedure manual, City resolutions, or City ordinances, any ambiguity will be resolved in favor of the MOU language. If the MOU is silent on an issue, the applicable document (i.e. policy manual or rules for personnel administration) is controlling. State and Federal laws will be adhered to.

- 46.2 The City and the POAL mutually agree that the City shall grant dues deduction to City employees who are members of the POAL in accordance with the terms and conditions set forth in Section 4, Rule 2 of City of Lodi Resolution No. 3344 entitled "Adopting Rules and Regulations to Implement Provisions of the Employee-Employer Relations Resolution." The POAL shall indemnify, defend, and hold the City harmless against any claims made and against any suit instituted against the City on account of check-off of said employee organization's dues. In addition, the POAL shall refund to the City any amounts paid to it in error upon presentation of supporting evidence. An authorization for payroll deductions may be canceled or modified upon written notice to the City and the Association before the 20th day of the month in which the cancellation is to become effective, subject to the provisions of this article. Any dues check-off cancellation or modification notice shall first be forwarded to the POAL for notation and then returned to Payroll prior to any change in a members dues check-off.
- 46.3 The City shall make available a period of one hour to the association in each recruit class with an end toward education of each employee of the rights and benefits under the collective bargaining agreement, as well as other association benefits, and the responsibilities of the employee and the organization of the association with an end toward having an employee who would become a better association member and a better employee.
- 46.4 All new hires in the classification of Police Officer Trainee shall remain in this category until they have completed their field training program and been certified to work as a Police Officer.
- 46.5 For purposes of continued certification of the POAL as the recognized employee organization for this unit, employees who are members or hereafter become members shall maintain membership with the POAL for the life of this MOU except that any unit employee may withdraw from membership not earlier than ninety days nor less than sixty days before the expiration of this MOU. Such withdrawal must be in writing and delivered to the POAL. A copy of the request shall be forwarded to the Finance Department upon receipt by the POAL.

- 46.6 The City agrees to recognize the POAL representatives for the purpose of representing members of the POAL on all matters relating to the administration of this MOU, and, upon the request of an employee, on adverse actions and other matters which may be or are on appeal in accordance with Article XLVII of this MOU.

ARTICLE XLVII - EMPLOYEE RIGHTS

- 47.1 The City agrees that all disciplinary actions shall be taken in a timely manner, recognizing that imposing discipline, grieving such discipline, investigations, and criminal proceedings may preclude timely action. This process also includes investigations of the complaint, recommending discipline to the office of the Police Chief, and the imposition of discipline.
- 47.2 The City shall abide by the Public Safety Officers Procedural Bill of Rights (Government Code Section 3300 et seq.), and such is hereby incorporated into this MOU.
- 47.3 It is understood by both parties that the POAL, in addition to any other rights herein specified, has the following rights:
1. To represent its members before the City regarding wages, hours, and other terms and conditions of employment.
 2. To receive timely written notice of changes to or adoption of any rule or regulation directly relating to wages, hours and other terms and conditions of employment.
 3. With an employee's written consent, an authorized POAL representative shall be permitted, upon request, to inspect the employee's official departmental personnel file during normal business hours. Such review shall not interfere with normal business of the Department.

The City agrees to recognize the POAL representatives for the purpose of representing employees on all matters relating to the administration of this MOU; and, upon the request of an employee on adverse actions and other matters which may be or are on appeal in accordance with Article XLVI of this MOU.

- 47.4 The City agrees to provide each represented employee with copies of special orders, general orders, training bulletins, departmental rules and regulations, and a copy of this MOU.
- 47.5 The City agrees not to interfere or in any way discriminate against an employee for exercising his/her right to belong to an employee organization or to exercise his/her rights under this MOU. The POAL similarly agrees that it will not interfere with or discriminate against employees for exercising rights to belong or refrain from belonging to, supporting, or participating in the activities of an employee organization.
- 47.6 Both the City and the POAL agree that no employee shall be subjected to any discrimination by the City or fellow employees in any matter relating to hiring, promotion, assignment, wages, or conditions of employment because of age, sex, creed, color, or national origin. Alleged discriminatory acts are subject to the City's Policy and Procedure regarding Discrimination, not the grievance procedure.

ARTICLE XLVIII - GRIEVANCE PROCEDURE

48.1 Intent and definitions of this section:

- a. This grievance procedure shall be used to process and resolve disputes regarding the interpretation or application of any of the terms and conditions of this MOU, Letters of Understanding, and formal interpretations and clarifications executed by the POAL and the City.
- b. The intent of this procedure is to resolve grievances informally at the lowest possible level and to provide an orderly procedure for reviewing and resolving grievances promptly.
- c. A grievance is a good faith complaint of one or a group of employees or a dispute between the City and the POAL involving the interpretation, application, or enforcement of the express terms of this MOU and other terms and conditions of employment and matters of discipline.

- d. As used in this procedure, the term "party" means an employee, the POAL, the City, or their authorized representatives. The employee is entitled to representation through all the steps in the procedure.
- e. As used in this procedure the term "working days" refers to Monday through Friday, excluding City recognized holidays.

48.2 Grievance Procedure

- A. Grievances in General. An employee, individually or in representation of a group of employees, may complain to City management through the grievance procedure regarding any matter relating to that employee's wages, hours, or conditions of employment. A grievance may be either formal or informal. An informal grievance is a prerequisite to filing a formal grievance.
- B. Informal Grievance. An employee, individually or in representation of a group of employees, with a grievance shall first discuss the matter with his or her immediate supervisor within ten (10) working days of the matter complained of. The supervisor and the employee shall attempt to informally resolve the dispute. If this is not accomplished, the employee shall next discuss the matter with the next level of supervision within ten (10) working days of the unsuccessful discussion and so on, until the employee reaches the Police Chief. The decision of the Police Chief regarding an informal grievance shall be final unless the employee files a formal grievance. A request for the grievance to be presented in writing may be made at any supervisory level and shall be made prior to filing a formal grievance.
- C. Formal Grievance
 - 1. An employee, individually or in representation of a group of employees, who has a grievance which remains unresolved after utilizing the informal grievance procedure may file a formal grievance in writing. The employee shall file a formal written grievance with the City Manager or designee within ten (10) working days after the final decision on the informal

grievance. The formal grievance shall contain all relevant information relating to the grievance which the employee wishes the City Manager to consider. The City Manager or designee shall meet with and respond in writing to the employee within ten (10) working days of the receipt of the grievance.

2. A grievance may be appealed to arbitration. Only the POAL may appeal to arbitration, and must notify the City within ten (10) working days after the decision of the City Manager.
3. Selection of Arbitrator. Within ten (10) working days after the request for arbitration is received by the City or at a date mutually agreed to by the parties, the parties shall meet to select an impartial arbitrator. If no agreement is reached, the parties shall immediately and jointly request a panel of five arbitrators from the State Conciliation and Mediation Service and shall alternately strike names until one name remains. The order of striking shall be determined by lot.

48.3 Discipline

- A. Discipline in General. Causes for disciplinary action are specified in the Rules for Personnel Administration (RPA) and the Department's policy manual. Disciplinary action includes but is not limited to written reprimands, demotion, suspension, or discharge of the employee. The causes cited in the RPA and policy manual are for both specific and exemplary reasons to alert employees to the more commonplace types of disciplinary issues. However, because conditions of human conduct are unpredictable, there may arise instances of unacceptable behavior not included in the written list of causes, in which the City may find it necessary and appropriate to initiate disciplinary action.
- B. Right of Appeal
 1. Any employee shall have the right to appeal an EPO to the Division Commander (or Police Chief if issued by Division Commander). Any employee shall have the right to appeal a written reprimand through the chain of command up to the Police Chief or his designee. The decision of

the Police Chief is final and binding and not subject to further appeal. The appeal process timeline is as specified in #2a and #2b.

2. Any employee in the POAL bargaining unit shall have the right to appeal disciplinary action above a written reprimand as follows:
 - a. An employee must submit, in writing, to the Division Commander the appeal, clearly stating the basis and requested action within ten (10) working days after receiving the notice of discipline. The decision of the Division Commander will be issued within ten (10) working days of receipt of appeal.
 - b. The Division Commander's decision may be appealed to the Police Chief or his designee by filing in writing within ten (10) working days after issuance. The Police Chief will schedule a meeting with the employee and hear all evidence germane to the dispute. Thereafter, the Police Chief will decide the matter within ten (10) working days.
 - c. The Police Chief's decision may be appealed to the City Manager or his designee by filing in writing within ten (10) working days after issuance. The City Manager will respond in writing within ten (10) working days of receipt of the appeal.
 - d. The City Manager's decision may be submitted to arbitration as the final level of appeal for disciplinary action. Only the association may appeal to arbitration and must notify the City within ten (10) working days of the date of notice from the City Manager.

C. Conduct of Appeal Process

1. Failure by either party to meet the established time limits will result in forfeiture by the failing party. Grievance settled by forfeiture shall not bind either party to an interpretation of this MOU, nor shall such settlements be cited by either party as evidence in the settlement of subsequent grievances.
2. The time limits specified may be extended by mutual agreement between the parties.

D. Arbitration Process Guidelines

To insure that the arbitration process is as brief and economical as possible, the following guidelines shall be adhered to:

- a. An arbitrator may, upon mutual consent of the parties, issue a decision, opinion, or award orally upon submission of the arbitration.
- b. Both parties and the arbitrator may tape record the hearing.
- c. There shall be no official transcript required; however, either party may utilize a court reporter at its own sole expense. The cost of a court reporter required by an arbitrator shall be shared equally by the parties.
- d. In grievance arbitration, the parties may agree to prepare a joint letter submitting the issue in dispute. The letter shall present the matter on which arbitration is sought and shall outline the MOU provisions governing the arbitration. It may contain mutually agreed on stipulations of fact and it may be accompanied by any documents that the parties mutually agree shall be submitted to the arbitrator in advance of the hearing which may not necessarily be stipulations of fact. Further, if the parties mutually agree, the entire matter may be submitted to arbitration for review without a hearing. Absent agreement to prepare a joint letter, the parties may submit separate letters.
- e. The strict rules of evidence are not applicable and the hearing shall be informal.
- f. The parties have the right to present and cross-examine witnesses, issue opening and closing statements, and file written closing briefs. Testimony shall be under oath or affirmation.
- g. The arbitrator may exclude testimony or evidence which he/she determines irrelevant or unduly repetitious.
- h. Attendance at a hearing shall be limited to those determined by the arbitrator to have a direct connection with the appeal. Witnesses normally would be present at the hearing only while testifying and should be permitted to testify only in the presence of the employee or his/her representatives and the employer's representatives.
- i. The arbitration hearing will be held on the employer's premises.

- j. The cost of arbitration shall be borne equally by the parties. However, the cost, if any, of cancellation or postponement shall be the financial responsibility of the party requesting such delay unless mutually agreed by the parties.

The decision, opinion, or award shall be based on the record developed by the parties before and during the hearing. The decision will be in writing and it shall contain the crucial reasons supporting the decision and award.

The arbitrator has no power to add to, subtract from, or modify the terms of the MOU or the written ordinances, resolutions, rules, regulations, and procedures of the City, nor shall he/she impose any limitations or obligations not specifically provided for under the terms of this MOU. The arbitrator shall be without power or authority to make any decision that requires the City or management to do an act prohibited by law.

The arbitrator has no power to add to a disciplinary action.

The arbitrator's decision shall be final, binding, and precedential and the arbitrator's decision shall possess the authority to make an employee whole to the extent such remedy is not limited by law, including the authority to award back pay, reinstatement, retroactive promotion where appropriate, and to issue an order to expunge the record of all references to a disciplinary action if appropriate.

The arbitrator shall have the authority to make all arbitrability and/or grievability determinations. The arbitrator shall make grievability and/or arbitrability determinations prior to addressing the merits of the case.

By filing a grievance or appealing a disciplinary action to arbitration, the grievant expressly waives any right to statutory remedies or to the exercise of any legal process other than is provided by this grievance/arbitration procedure. The processing of a grievance to arbitration shall constitute an express election on the part of the grievant that the grievance/arbitration procedure is the chosen forum for resolving the issues contained in the grievance, and that the grievant will not resort to any other forum or procedure for resolution or review of the issues. The parties do not intend by the provisions of this paragraph to preclude the enforcement of any arbitration award in any court of competent jurisdiction.

ARTICLE XLIX - LAYOFF PROCEDURE

49.1 In the event that reductions in rank or layoffs of Police Unit personnel are necessary, the following procedure shall be followed:

- a. Any reduction in rank shall be based entirely on seniority. The employee having the least classification seniority shall be reduced first and transferred to the next lower classification to which he/she previously worked.
- b. If an employee is reduced in rank he/she shall not be laid off until all other employees of similar rank to which he/she was reduced have been laid off (i.e., if a Police Sergeant is reduced in rank to Police Officer, he/she must then be the last Police Officer to be laid off, regardless of the seniority of the other Police Officers).
- c. All layoffs of Police personnel within the seniority span of service shall be by merit (at the discretion of the City Manager upon the recommendation of the Police Chief). The seniority spans of service are as follows:
 - 1) All Police Officer Trainees based on seniority; then
 - 2) All Police Officers on probation (one-year period);
 - 3) All personnel with less than two years seniority; then
 - 4) All personnel with two to three years seniority; then
 - 5) All personnel with three to six years seniority; then
 - 6) Personnel with more than six years shall be laid off by seniority.

Before any employee of a higher seniority group is laid off, all persons in the junior group must be laid off first.

- d. Reinstatement shall be in reverse order of layoff or reduction in rank (i.e., the last Police Officer to be laid off would be first Police Officer reinstated.)

ARTICLE L - PROBATIONARY PERIOD

- 50.1 During the probationary period, the probationary employee shall be entitled to sick leave benefits. Employees shall be eligible to be considered for a merit increase upon the successful completion of probation. Nothing herein shall be deemed to alter the terms or conditions of the probationary period following promotion.

ARTICLE LI - SEVERABILITY

- 51.1 In the event that any provision of this MOU is found by a court of competent jurisdiction to be invalid, all other provisions shall be severable and shall continue in full force and effect.

ARTICLE LII - TERM

- 52.1 Covering the period beginning October 11, 2004 through October 8, 2007.
- 52.2 The POAL and City mutually agree to commence negotiations for a new contract no later than three (3) months prior to the expiration of this MOU.

MEDICAL APPOINTMENTS POLICY

SECTION 1:

PURPOSE

To provide a city wide policy concerning the scheduling of medical appointments and follow-up communication for employees who are ill, injured (on or off duty), or who have other temporary limiting conditions that require them to be absent from work. A good level of communication is necessary so the City and departments can adequately plan for adequate staffing and provide timely benefits to eligible employees.

SECTION 2:

EMPLOYEE'S RESPONSIBILITIES

It is the responsibility of any City of Lodi employee who is precluded from returning to full duty for more than three (3) consecutive working days, to do the following:

1) If a medical appointment is made for the treatment of a workers compensation injury, schedule the initial, as well as all follow-up medical appointments with physicians, physical therapists, or any practitioner responsible for treating the employee's condition, at the earliest point in time that is available.

2) Contact the appropriate supervisor and verbally (e.g. via phone or in-person) provide notification in a thorough manner of the date and time of each and every appointment that impacts the employee's scheduled working hours:

a. Notification shall be provided as soon as possible before the beginning of the work shift when the employee will be absent, or immediately if taken ill or injured during work hours. For any follow-up appointments, notification shall be provided as soon as feasible after the appointment is set.

b. If an appointment is related to treatment of a workers compensation injury, the employee shall indicate not only the date and time, but also who the appointment is with and type of treatment being provided.

c. In those instances when appointments are scheduled directly by the City or its contract administrator for treatment of a workers compensation injury, the employee is still responsible for contacting his/her appropriate supervisor and verbally providing notification in a thorough manner of the date and time of all appointments.

3) Attend all appointments as scheduled. Failure to attend these appointments may result in denial or suspension of benefits. Changes in workers compensation appointments must be re-scheduled through the Risk Management office.

4) For conditions that preclude the employee from returning to full duty, medical certification (i.e., a doctor's note) must be provided immediately after every medical visit or treatment, to their appropriate supervisor. The supervisor will then forward the medical certification to Human Resources. Medical certification should provide:

- a. A statement that the employee can not return to full duty,
- b. A statement as to whether the employee can perform modified duties with any restrictions clearly stated,
- c. The date/time of the next appointment, and an estimated time of return to full duty,
- d. If the employee has reached the point where he/she can be released to full duty, then medical certification indicating the employee is released to full duty without restrictions must be provided.

A Department Head or supervisor may request medical certification for absences at any time for reasonable cause. A Department Head or supervisor may also require an employee to call in on a regular basis to provide updates regarding his/her status.

SECTION 3:

ADHERENCE

If an employee does not provide notification, submit appropriate paperwork or otherwise adhere to the provisions of this policy, the City of Lodi may:

a. Delay or deny benefits. In the workers compensation system this may affect temporary disability payments or payments to physicians, physical therapists, or other practitioners responsible for treating the employee's condition.

b. Initiate disciplinary proceedings as stipulated in Article XIII of the City of Lodi's Rules for Personnel Administration.

Failure to adhere to the provisions of this policy may also constitute violation of the Administrative Policy and Procedure Manual - Employee Separation Procedure. An employee's failure to notify a supervisor of an absence or to arrive at his/her designated workplace for three (3) consecutive workdays as scheduled may be considered an unauthorized absence and/or an abandonment of position. Such absence may be processed as an automatic resignation or be cause for disciplinary action up to and including termination.
